HAPPY SUMMER EVERYONE!

It is hard to believe how fast this year has gone. Congratulations to our Graduates! We wish you much success for the next adventure you will be taking after high school.

We have a busy summer on its way with Wellness' Summer Program, Summer Leadership Program's college trips, and preparing for the next successful school year in the Fall of 2019. Our Department will tentatively be attending the 4th of July celebration at the Santa Ana Star Hotel and Casino (date to be determined). There, we will have a table prepared to pass out back to school supplies, offer sign up packets for the after-school program, complete parent authorization forms for liaison services, and provide any documents that the schools have shared with us for parents and families. We will also be prepared with a September calendar to begin sign-ups for our annual IEGP meetings.

IEGP's are so important for us to continue our conversations with families and students regarding their goals and plans for academic success. We will be reviewing End of Year State Assessments, as well as, any updates on goals and plans for further academic growth. This is such an exciting process that allows our team to continue to get to know your student and continue to support the path in achieving their dreams.

As always, please come in to visit anytime. We are here to help and serve. Let us know how we can support your path, as well.

Blessings,

Gwen Maldonado and Melanie Martinez

School: (505)404-5400

Hi everyone!

We are in the home stretch of the school year. Attendance is important, a quick 20 days left of school!

May is the month of final testing. BES will be SBA testing until May 17. From May 6-May 10th all kiddos will be in EOC (End of Course) testing. It is important the kids get a full +8 hr. nights rest and are at school on time to have breakfast.

If you are interested in having your child(ren) attend tutoring groups and/or 1-1 tutoring sessions during summer break, please let me know ASAP.

Sadly in this day and age the potential of school shootings is a reality. It is important that any social media threats are taken seriously and **immediately** reported to police. Please let me know if you have any questions.

Bernalillo Public Schools
presents

June 17, 2019—July 23, 2019

Students will not have class on July 4th and

Will your child be in Kindergarten—5th grade during the 2019-2020 School Year? Enroll them in K5+!

K5+ is a unique opportunity to provide your students with 25 additional days of high quality instruction.

Please contact your student's school for additional information.

Requirements:

- Regular attendance
- I-station access

Transportation, Breakfast and Lunch are provided!

K-5+ will be held at:

- Carroll Elementary
- Algodones Elementary
- Bernalillo Elementary
- Santo Domingo Elementary
- Cochiti Elementary

Applications Due: March 1, 2019

Applications are still being accepted!

WELCOME TO:

PARENT NIGHT

BERNALILLO MIDDLE SCHOOL

ALL 5TH GRADE STUDENTS AND THEIR PARENTS

Come hear about our school, meet staff, get a jump start on the registration process, and take a tour.

Parents/Guardian;

I want to thank you for allowing me to work with your child(ren). It has come to the end of the school year and our students worked very hard. I have met with each student that may need to attend summer school and

distribute an application for these individuals in need of credit recovery. If you would like another application, you can also download it on the BHS website and print one. The application deadline for summer school is May 10, 2019. Summer school will begin June 3rd - June 28th, 2019. If you may have further questions regarding summer school, do not hesitate to contact me.

Please be aware of our summer opportunities that include summer internships and the summer leadership program. Moreover, Bernalillo High School has welcomed their new Principal. Mr. McCorkle for the next school year. Have wonderful summer break and we look forward in working with our returning BHS students and graduates moving onto college.

Events

May 7th - Senior Finals

May 8th - Senior Finals

May 9th - Senior Finals Make-up Day and Senior Check-out

May 11th - Native American Pageant in the Black Box 1:00-4:00pm.

May 13th - Athletic Banquet

May 14th - Senior Awards Night - 6:00 - 8:00 pm

CLASS OF 2019

April came and went, and all of these April showers will definitely bring May flowers. We are excited to announce that we have officially moved into our newly renovated Infant Classroom, and we have also welcomed our new Infant Room teacher, Lynna Garcia! The infants enjoy the open space we now have to be more mobile with crawling, playing, and practicing walking.

All of our infants are making GREAT strides in reaching their milestones! One of our infants is preparing to make transitional changes from the Infant Room to the Early Toddler Classroom. Another is taking their first steps in walking independently, and our youngest infant moves around the classroom freely with their cute "Army crawling."

Last month the infants had fun creating Easter and Spring master prices for their families, and they really enjoyed the Egg Hunt and being outdoors.

This month our theme will reflect Mother's Day, Wild Animals, and Summer Solstice, with an emphasis on Sky Awareness (Sun, Moon, Stars, Clouds, and Rain).

We are also planning our first field trips this year for our infants to San Felipe Pueblo for their annual feast day on May 1st, and we will be visiting the zoo as a follow up activity in the classroom on May 22nd.

Greetings All,

As we quickly approach the end of the school year for the Bernalillo Elementary School Keres Language class, I want to praise the students for their progress they have made in the classroom.

Our goal is to teach everyday conversational Keres to the students. Through our hour long class time, students practice proper personal introductions, family relationships, situational greetings, and study relevant cultural and traditional knowledge of the Tamayame. Our 20 minute Keres immersion lessons are an instrumental part of language learning success. Students commit to only speaking Keres during that time.

Visuals are used to establish a sentence structure and through repetition, recognition, and the emphasis on verb usage, students are able to formulate sentencings in the Keres language. It is very encouraging to see the students speak the language using these techniques. We encourage the students to continue the language learning at home by sharing learned knowledge with family.

We scaffold the lessons by adding more vocabulary to each lesson, while reinforcing the language that has been learned. I am very proud of the enthusiasm and desire of the students to learn Keres.

I encourage all that come in contact with the students to speak to them in Keres, as they look forward to sharing their learned knowledge.

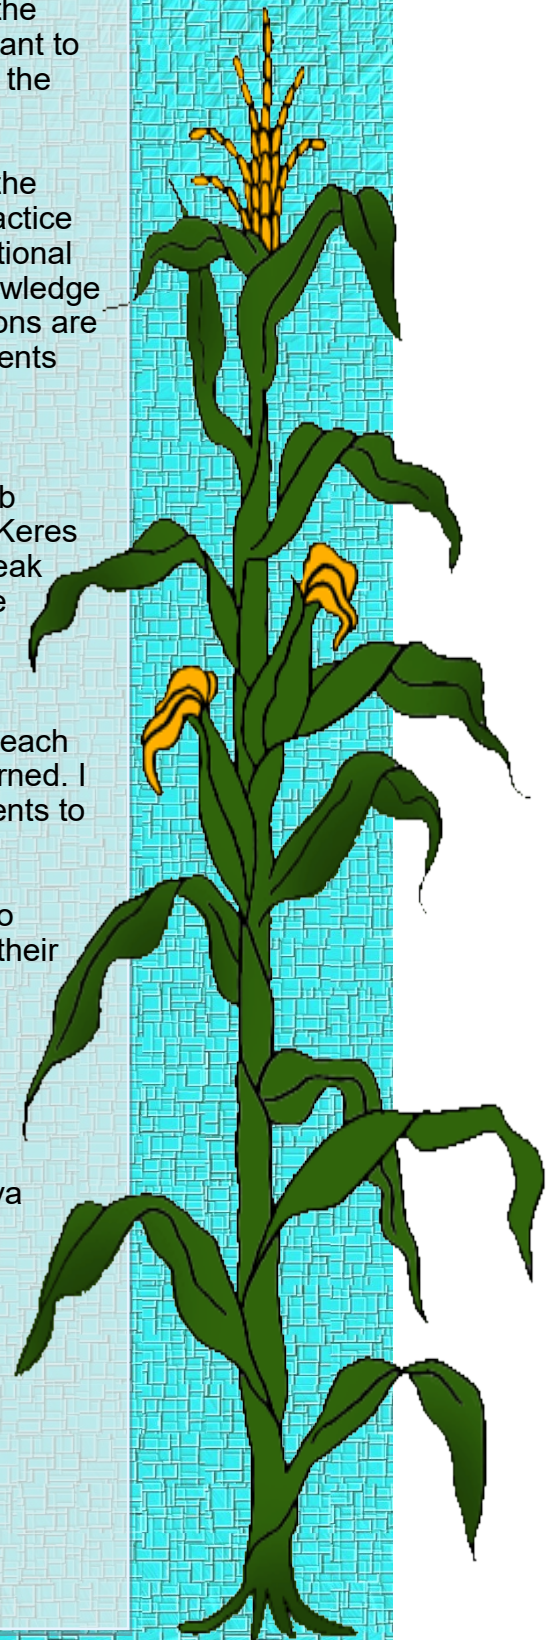

We welcome you to come and observe our classroom and see the progress the students have made. It is very encouraging to see them take pride in our language.

If you would like to find out more about the BES Tamaya Keres class, please contact me at the Language and Culture Department, 771-6482 or via email @ mike.garcia@santaana-nsn.gov.

Thank you for the opportunity to teach your children our Tamayame language, culture, and traditions.

Here's wishing everyone a wonderful summer season.

Michael Garcia,
BES Keres Language Teacher

KLEAR 2019

Language Culture KLEAR Ambassadorship program

May 2019

Newsletter

To Community and KLEAR participants, *The Language & Culture Department* is once again moving forward with the men's KLEAR AMBASSADORSHIP program. The purpose is to Promote the Language & Cultural Traditions, and to provide sustenance to our community's young men as father's roles needed in the continued growth to thrive as Indigenous Tamayameh people for future generations...

With this has sparked interests for a Women's KLEAR program which has been very successful in teaching traditional roles of females. If you have an interest's please do not hesitate to call or ask questions. Meeting are held every other Thursdays for women's KLEAR and Every other Friday's for men's KLEAR.

KLEAR Women's Thursday April 25, 2019 @ Tamaya Wellness Cntr.

KLEAR Men's Friday May 3, 2019 at Tamaya Learning Cntr.

Recruitment of new participants for both males and females ages 19 yrs. - 65 yrs...

Contact : Language & Culture Program @ (505) 771- 6480

Juan H. Montoya Language Program Coordinator

Mission

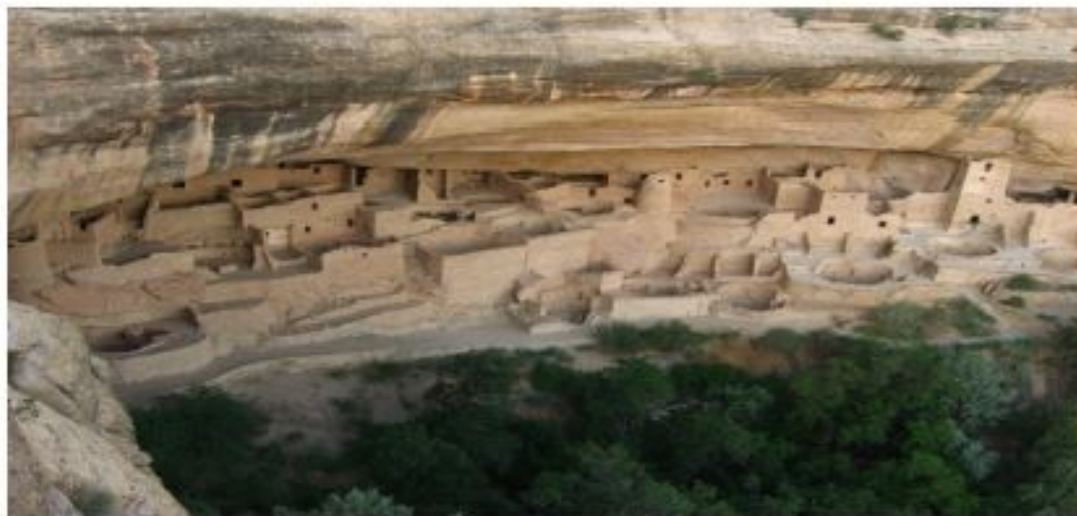

The Language & Culture Program mission is to Revitalize, Preserve, Perpetuate the Language and Cultural Traditions in a variety of experiences and activities..

Lesson Topic

Will emphasize in the respect of the language and cultural traditions and the sacred significances to land and its sacred connections to the people of Tamayame Heritage.

The curriculum also touches on the teachings of Tamayame Emergence, Self-Identity, History, Traditions Government and the Migration of the Tamayame.

The programs intent is to help young male and female adults to become better proficient speakers in the language and cultural traditions.

Aloha!
